

CALISTA

Skin & Laser Center

Micro-Needling Consent Form

1. I consent that I do not suffer from any of the above contraindications listed.
2. I understand that my skin will be flushed and red and may experience redness and warmth after the treatment.
3. I understand that the number of Micro-Needling treatments required may vary and that several treatments will need to be performed to achieve the desired results.
4. I understand that there may be some degree of minor discomfort, ie: itchiness, irritation and stinging, skin may feel hot.
5. I also understand that if treatments require a deeper needle depth than I have the option of using a topical analgesic cream that I may purchase from Calista Skin and Laser Center.
6. I understand that it is normal for the treated area to appear red with slight swelling after treatment, similar to mild sunburn. This can last up to 4 days post treatment. Mild bruising may occur and if so is only temporary.
7. I understand that there is no guarantee to this procedure and I understand that in order to achieve the maximum long term results, I will need maintenance treatments and need to follow the guidance of correct after-care advice recommended by Calista Skin and Laser Center. Picking the area may result in adverse reactions/infection and affect the results of the treatments.
8. I understand that exposure of a recently treated area to strong sunlight should be avoided and that Calista Skin and Laser Center recommends a chemical sunblock of SPF 30 minimum.
9. I have confirmed that I have informed Calista Skin and Laser Center of all medical details relevant to this treatment and will update these throughout the course of the treatments should any details change.
10. I have confirmed that I understand all the information given regarding this treatment during the consultation and that all my questions have been answered satisfactorily.

I certify that I have read and fully understand this Consent\Procedure Form and the explanations.
