Informed Consent Form: Sublative RF

Patient Name: _____

Treatment Sites: _____

I understand that the Sublative RF is a device used for dermatological procedures requiring ablation and resurfacing of the skin, and for the treatment of facial wrinkles, of which I am consenting to be a patient receiving treatment.

I understand that clinical results may vary depending on individual factors, including but not limited to medical history, skin type, patient compliance with pre- and post-treatment instructions, and individual response to treatment.

I understand that there is a possibility of short-term effects such as reddening, swelling, scab formation, temporary discoloration of the skin, as well as the possibility of rare side effects such as burn, scarring and permanent discoloration. These effects have been fully explained to me _____ (**patient's initials**).

I certify that I have been fully informed of the nature and purpose of the procedure, expected outcomes and possible complications, and I understand that no guarantee can be given as to the final result obtained. I am fully aware that my condition is of cosmetic concern and that the decision to proceed is based solely on my expressed desire to do so.

I confirm that I have informed the staff regarding any current or past medical condition, disease or medication taken, as well as my past and planned exposure to sun, sunbed, and tanning creams.

I consent to the taking of photographs and authorize their anonymous use for the purposes of medical audit, education and promotion.

I certify that I have been given the opportunity to ask questions and that I have read and fully understand the contents of this consent form.
